

TOW LAW URBAN DISTRICT COUNCIL.

A. Charlton. M.C.H.

Grove Lodge,
Tow Law,
Co. Durham.

April 13th, 1944.

Annual Report of the Medical Officer of Health, 1943.

As a result of the continuance of the war the usual report has been suspended and no reference can be made as to population figures, etc. for security reasons. Records, however, have been preserved.

During the year there was no major problem affecting the Public Health of the Community, Diphtheria Immunisation was proceeded with and at the end of the year 460 children had been treated.

The water supply in some parts of the town has been reported to be insufficient and representations made to the appropriate authority.

No return under Parts I and VIII of the Factories Act, 1937, is necessary.

Signed. A. Charlton.
